### To Get to Room 225 in the Student Center

As you enter the campus, turn right and follow the road as it curves left around the large parking lot (this should be on your left). After by-passing the large lot, you will come to Parking Lot C which is directly behind the Gymnasium and Wellness Center. You may park there and enter through the door into the Wellness Center. After you come through the first door, come up the stairway on your left to the second floor. Walk diagonally left across the open area to an open loft seating area. Turn left and Room 225 is the first room on your left.

If you need elevator access, bypass the stairway and come through the second door. Turn to your right. You will find an elevator at the far end of the hallway. Go up to the second floor; go straight ahead down the long hallway to the open area where you will turn right to access the loft area. Room 225 is the first room on your left.
