You can be --- A Traveling Hopeful

A meeting on the way ...

a meeting there ...

a meeting on the way home

All you have to do is extend your hand to another OA member, travel together, and do service by attending other meetings across the state.

Handfuls of OA's brothers and sisters travel
On scenic highways, roads, and lanes
Providing fellowship to meetings both near and far
Enjoying experience and strength to and fro
Finding halls full of friends both new and old
Using all 12 of OA's Traditions and Steps
Loving the hugs, and doing service too
So we hope you will join your OA friends on the road to happy destiny!
